Cost structure for the use of the PedsQL™ instruments

Please click on your study-financing category so that you get access to the cost involved.

A. **Not Funded Academic Research**
   Not funded academic research: if your project is not explicitly funded, but funding comes from overall departmental funds or from the University or individual funds

B. **Funded Academic Research:**
   Funded academic research: projects receiving funding from government, EU or registered charity  
   **Note:** funded academic research sponsored by industry fits "commercial study" category

C. **Large non-commercial organization research and evaluation:**
   e.g. States, Nations, Hospitals, Healthcare Systems; includes a large number of patients and/or centres....
   - License fee per study
   - Annual license fee
   - Annual fee for Patient Registry

D. **Commercial Use:**
   Pharmaceutical Industry, CRO, any for-profit companies
   - License fee per study
   - Annual license fee
   - Annual fee for Patient Registry

E. **IT Company:**
   Organizations performing electronic migration of the PedsQL™
   - Annual license fee
